Superior convenience with ICBC GSRC Dual Currency Credit Card

Hong Kong people love to visit Mainland China for spending their Chinese New Year holidays as to enjoy the pleasant atmosphere. In such a transportation peak season, the Guangshen Railway will be a good choice for travelers.

To satisfy the needs of frequent travelers, ICBC (Asia) proudly issues the GSRC Dual Currency Credit Card with Guangshen Railway Company Limited.

GSRC Dual Currency Credit Card is a China UnionPay credit card combined with train ticket, RMB account and HKD account, supporting both contact and contactless payment function. When Cardholders take their rides on CRH trains of Guangshen Railway, they can directly use the Card to enter the station without queuing up for purchasing a ticket. The train fare is also entitled to bonus points or cash rebate.

ICBC GSRC Dual Currency Credit Card benefits:

- Directly use the Card to enter into Guangshen Railway stations without queuing up for purchasing a ticket
- Spending in Mainland China will be posted in RMB without overseas purchase handling fee
- Train fares will be entitled to bonus points or cash rebate
- First year free emergency Medical Card Service

Fabulous offers

- From now on to 31 March 2010, the train fare of taking CRH trains of Guangshen Railway will be entitled to **4 times** bonus points or cash rebate
