As at the Latest Practicable Date, the number of shares in issue was 1,285,267,969 Shares. On the basis of 1,285,267,969 Shares in issue and exercise in full of Issue Mandate and Repurchase Mandate (and assuming no further Shares will be issued or repurchased after the Latest Practicable Date and up to the date of passing the Resolutions), the Bank would be authorized under the Issue Mandate to allot, issue and deal with a maximum of 257,053,593 Shares and under the Repurchase Mandate to repurchase a maximum of 128,526,796 Shares during the Relevant Period as referred to in the Resolutions 6 and 7 respectively in the notice of AGM. Mr. Yuen has met the independence guidelines set out in Rule 3.13 of the Listing Rules.

Save as disclosed above, there is no other matter concerning Mr. Yuen that needs to be brought to the attention of the Shareholders of the Bank nor any information to be disclosed pursuant to the requirements under Rule 13.51(2) of the Listing Rules.

The information set out in this appendix serves as the explanatory statement required under Rule 10.06(1)(b) of the Listing Rules in connection with the Repurchase Mandate and also constitutes the memorandum required under Section 49BA(3) of the Companies Ordinance.

SHARE CAPITAL

It is proposed that the Repurchase Mandate will authorize the repurchase by the Bank of up to 10 per cent. of the total number of issued shares of the Bank as at the date of passing the Resolution. As at the Latest Practicable Date, the number of shares in issue was 1,285,267,969 Shares. On the basis of 1,285,267,969 Shares in issue and exercise in full of the Repurchase Mandate (and assuming no further Shares will be issued or repurchased after the Latest Practicable Date and up to the date of passing the Resolution), the Bank would be authorized under the Repurchase Mandate to repurchase a maximum of 128,526,796 Shares during the Relevant Period as referred to in the Ordinary Resolution No. 7 in the notice of AGM. Any Shares repurchased pursuant to the Repurchase Mandate must be fully paid-up.

REASONS FOR REPURCHASE

The Directors believe that it is in the best interests of the Bank and the Shareholders to have a general authority from Shareholders to enable the Bank to repurchase Shares on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Bank and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Bank and the Shareholders.

FUNDING OF REPURCHASE

For repurchasing securities, the Directors may only apply funds legally available for such purpose in accordance with the Bank's Memorandum of Association and the Articles of Association, the Listing Rules and the Companies Ordinance.

IMPACT ON WORKING CAPITAL OR GEARING POSITION

There might be a material adverse impact on the working capital or gearing position of the Bank (as compared with the position disclosed in its most recent published audited financial statements) in the event that the Repurchase Mandate is exercised in full at any time during the proposed repurchase period.

However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Bank or the gearing level which in the opinion of the Directors is, from time to time, appropriate for the Bank.

DISCLOSURE OF INTERESTS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates has any present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell Shares to the Bank.

No connected person of the Bank (as defined in the Listing Rules) has notified the Bank that he/she has a present intention to sell Shares to the Bank, or has undertaken not to sell any of the Shares held by him/her to the Bank in the event that the Bank is authorized to make purchases of Shares.

UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the power of the Bank to make purchases pursuant to the proposed Repurchase Mandate in accordance with the Listing Rules and all applicable laws of Hong Kong, and in accordance with the regulations set out in the Articles of Association.

RULE 8.08 OF THE LISTING RULES

As at the Latest Practicable Date, Industrial and Commercial Bank of China Limited and its associates are interested in 925,903,979 Shares, representing approximately 72.04% of the issued share capital of the Bank. In the event that the Directors exercise the power to repurchase Shares which is proposed to be granted pursuant to Ordinary Resolution No.7 (if the present shareholding otherwise remained the same), the attributable shareholding of Industrial and Commercial Bank of China Limited and its associates in the Bank would be increased to a percentage which would result in the number of Shares in public hands to be below 25% of the issued share capital of the Bank. The Bank would not exercise the power to repurchase the Shares of the Bank if it may not comply with Rule 8.08 of the Listing Rules.

EFFECT OF TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Bank increases, such an increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert, could obtain or consolidate control of the Bank and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

The Directors are not aware of any consequence which would arise under the Takeovers Code as a consequence of any purchases pursuant to the Repurchase Mandate.

SHARE REPURCHASES MADE BY THE BANK

During the six months immediately preceding the Latest Practicable Date, the Bank has not repurchased any of its Shares.

SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous twelve month before, and the period from 1 April 2009 to the Latest Practicable Date were as follows:

Ordinary Shares
